From the North:

Taconic Parkway South to the Bear Mountain/Peekskill exit. At the end of the exit, make a right onto Route 202. Follow Route 202 to the third traffic light. Make a right at the light, onto the Bear Mountain Parkway. Stay on the Bear Mountain Parkway. It turns into Route 9 South at the second traffic light. Continue on Route 9 through Peekskill, Montrose and Croton. After Croton, the road splits. Stay RIGHT on Route 9. At the traffic light, make a right turn into St. Augustine/Mystic Point.

Bear right to go into St. Augustine. Pass the school and bear right. Go down the hill and around the back of the parish hall, pass the playground and park in the back lot. You will be directly behind the school and in front of the Parish Hall. We will meet in the Parish Hall. Use the entrance on the LEFT side of the Parish Hall.

From the South:

Take Route 9 North to the Old Albany Post Road exit. Bear right (before the traffic light), go to the stop sign and make a left turn. (This is necessary because you cannot make a left into St. Augustine.) You will be facing Route 9 and the entrance to St Augustine. Follow the directions in the second paragraph above.
